

ACCA 's 3rd Annual Live Well, Age Well Award

During the month of May 2018, ACCA will join others across the nation in celebrating Older Americans Month and the contributions of older adults to our communities. This year's theme, "Engage at Every Age," emphasizes that you are never too old (or young) to take part in activities that can enrich your physical, mental, and emotional well-being. It also celebrates the many ways in which older adults make a difference in our communities. Older Americans Month highlights how older adults in our community are leading and inspiring others and how we might follow their examples by amplifying our own voices.

In 2016, ACCA established the ACCA Distinguished Older Athenian Award. Rebranded as the 'Live Well, Age Well Award', this annual award recognizes an outstanding older adult who is:

- 60 or older, and
- resides in ACCA's service area, and
- is recognized as a role model for positive aging, or
- has made a significant contribution to our community through professional, charitable or volunteer efforts.
